

After answering all questions, imagine going inside your temple chanting mantra and take deepa arathi to Bhagawan and pray,

"Bhagawan, please show it to my eyes if I have given any incorrect answers."

Bhagawan will show the mistakes that your eyes could not catch.

### THANKING BHAGAWAN AND PRAYING

After finishing the test, while going home, in your mind, offer chandan (sandal paste), apply dot, offer flowers, take deepa arathi to bhagawan's feet, do pooja and pray,

"Bhagawan, by your grace I have completed the test. Thank you very much. Bless me to get good marks (grades)."

During the test it is very important to not watch television or listen to music and be without any distraction. One should always keep chanting the mantra.

If you follow these steps, you will definitely get good results in your tests.

"Chanting mantra continuously by remembering Bhagawan, great education, fulfilling riches, great wisdom can be achieved."

**BY MAKING PRESENT MOMENT GOOD,  
ALL TIMES CAN BE MADE GREAT.**

## 6 GUIDELINES FOR SUCCESS

1. For a healthy and energetic body, practice Yoga asana for some time
2. Plan everyday what you are going to learn
3. Good friendship with good conduct will increase progress
4. Hard work, thinking about Bhagawan, being humble is necessary
5. Patriotism
6. Marching towards goal

## DAILY LEARNING AND WAY TO WORSHIP BHAGAWAN

Always, before learning begins, imagine a temple you like in the mind and chant the mantra,

**Om Namasivaya Namaha!**

**Om Sachidanandhaya Namaha!**

**Om Sarguru Nathaya Namaha!**

and worship Bhagawan's feet by offering flowers for 5 to 15 minutes.

After this, worship your glowing Bhagawan by taking deepa arathi.

Fall at Bhagawan's feet and pray,

"Bhagawan, I should understand the chapter I am about to learn and firmly remember in my mind."

Doing this, your learning will become very easy and your grades will increase.

"Students who know to think about Bhagawan and worship by chanting mantra will be successful in their learning."

**LEARNING WITH HARD WORK IS GREAT EDUCATION.**

## HOW TO THINK ABOUT BHAGAWAN WHILE LEARNING?

While learning, every now and then, imagine holding Bhagawan's feet and chant mantra one time.

Do not forget the golden words of a great Saint Avvayar.

"Do not be without chanting mantra any day"

"Do not forsake (abandon) chanting mantra"

While learning, from time to time, leave gap and chant mantra for 5 minutes.

At this time, pray to Bhagawan as,

"Bhagawan, please make me remember what I learned so far and make me understand what I am about to learn by your grace" and start studying again.

## LEARNING AND PRAYER

Always, after finish studying, in your imagined temple, perform pooja to Bhagawan's lotus feet.

After completing this, pray to Bhagawan as,

"Bhagawan, I learned very well today by your grace. Thank you very much.

Bless me, to learn more and remember all chapters in my mind.

Also, bless other students like me with interest to worship you, learn and advance"

**"IF WORLDLY EDUCATION IS FOR LIVING IN THIS WORLD,  
WISDOM EDUCATION IS FOR THIS  
WORLD AND HEREAFTER."**

Those who follow this path of worship and are living in high position are remarkable.

If you continue to follow the guidelines given above, your learning will be successful.

In the future, you will live as a great human being with wisdom and riches.

## HOW TO WRITE THE EXAMINATION?

1) Without restlessness, with a steady mind one should go to the test.

2) By thinking about Bhagawan, remembering what was learnt, one should go to the test.

3) Before you begin the test, take deepa arathi to Bhagawan in your mind and pray,

"Bhagawan, bless me to achieve good results in this test" and start answering the test.

4) One should imagine sitting near Bhagawan's feet and write the test.

5) Without leaving any question unanswered, one should answer what one knows without any fear by thinking about Bhagawan.

## HOW TO WORSHIP BHAGAWAN WHILE WRITING THE TEST?

While writing the test, now and then for a second do namaskar to Bhagawan's feet by chanting mantra.

At the same time, imagine "holding Bhagawan's feet with one hand and write the test with other hand."

**ONE WHO CONTINUES TO WORK HARD  
IS A GREAT SUCCESSFUL PERSON.**
